"I've run music camps at heaps of venues but the Crusaders Galston Centre is the best I've used in Sydney. The two acoustically sound auditoriums & multiple practice spaces are perfect for our needs. The environment is peaceful, it's close to Sydney, the food is outstanding & the staff are fantastic! I look forward to holding many more successful band camps here."

James Brice,
Director of Instrumental Music, Knox Grammar School

"I'd definitely recommend the Galston Gorge Centre to other youth groups. It's such good value! The site is amazingly peaceful yet so close to home and the facilities at Galston are excellent. We especially liked the large, well equipped meeting facilities which enabled us to run our band and bible sessions. Plus the provision of multiple small meeting rooms for seminars and discussion groups were ideal. Our youth loved the gym, the pool and all the open space to run around. The new dining room was awesome and the new lounge and deck area provided a great space for the leaders to meet, grab a coffee and unwind."

Adam Clark,
Youth Minister, St Alban's Anglican Church, Lindfield.
