A STRONG FOUNDATION
The ministry experiences and skills gained during the Fellowship Program provide a solid foundation for future ministry opportunities, wherever you find yourself in the future.

Tom Cameron - 2005 Fellow
My year with Crusaders taught me heaps! It showed me that I did have gifts for ministry and that I should use those for the glory of God. It was an invaluable year and I would recommend it to you. The year after my Fellows training I took up a position working with Yr 5-8 boys at my church. We are looking at Nehemiah at the moment. In chapter 2 he puts his success down to the gracious hand of God being upon him. I can say the same of my time in Summit. The gracious hand of God is upon Crusaders ministry. So get on board!

Michelle Blumer - 1994 Fellow
I am constantly struck by how useful my years as a Summit Fellow have been. I am now serving as a missionary with my husband in Vienna and am so glad that Summit spurred me on to serve God with my whole life and provided me with the organisational and educational skills I needed. Working in a city where Christians are few, I can see how important training in ministry is, and I realise that I have been very well prepared for the task.

24/7 MINISTRY OPPORTUNITIES

Becoming a Summit Fellow will enable you to cut your teeth on the toughest audience – kids! Camping ministry is unique in that it is residential and therefore provides countless opportunities to spend time building relationships with students, talking to them about Christianity and modelling Christian living 24/7. You will get to share the Gospel of Jesus Christ with hundreds of school students every day – students from a wide range of backgrounds, family situations and religions. On every Summit Camp, a daily Bible talk is given and you will be trained to lead small group discussion.

ARE YOU:

- A committed Christian actively involved in a church?
- Keen to explore if full-time ministry is for you?
- Interested in playing your part in a vibrant team of young adults?

WOULD YOU LIKE TO:

1) Tell thousands of kids about Jesus?
2) Gain a nationally recognised Certificate in Outdoor Recreation?
3) Get some theological training under your belt?
4) BE PAID for doing all the above?

If yes, the Summit Fellowship Program is for you!

SUMMIT – WHO ARE THEY?

Summit was established in 1988 as a division of the Crusader Union of Australia. Crusaders is an interdenominational Christian youth organisation that seeks to reach school students with the life-changing Gospel of Jesus Christ. Summit’s Fellowship Program is more than a job – it’s a passion for sharing the Gospel & an opportunity to get equipped for future ministry. Each Summit Fellow will go on around 40 camps per year and will share the message of Jesus with around 2500 campers! Each camp is between two days and one week in length. When not on camp, Fellows receive training in a wide range of ministry and outdoor recreation skills. Because the Gospel is shared on every camp, it’s not only a traineeship – it’s a missionary role. (Although, unlike going to Africa, you still get to see your family and friends when you are not on camp!)

SUMMIT – EARN WHILE YOU LEARN

Unlike other gap year programs that require you to pay fees, Summit will pay you a fortnightly allowance and there is no charge for all the tuition and training you receive. All accommodation and food whilst on camp is also provided for free.

Each one should use whatever gift he has received to serve others, faithfully administering God’s grace in its various forms. (1 Peter 4:10)
