Real or Fake?

SALT TRAINING WEEKEND

What kind of leader are you?

About Salt
What kind of leader are you? At this year’s SALT training weekend, we will see what REAL leadership is. We’ll look at what 1 Timothy has to say about REAL faith and being REAL examples of Christ as we lead in our school CRU groups. Sam Chan, our guest speaker, will help us do this.

SALT (Students at Leadership Training) is a leadership training program designed to encourage, empower and train Christian students in Years 8 to 11. It is run by Crusaders’ Schools Ministry team.

Meet the Speaker: SAM CHAN

Sam teaches theology, preaching and evangelism at Sydney Missionary and Bible College (SMBC). He is hopeless at rugby, cricket, swimming and surfing. But he knows all the words to Jimmy Barnes and Cold Chisel songs! He can’t wait to impart all he knows from 1 Timothy about REAL leadership. He may also share a lyric or two with you as well.

Electives

This weekend, learn the nuts & bolts of being an authentic & godly leader in the following electives:

• Answering tough questions
• Ways to better shepherd groups
• Leading small groups
• Evangelism 101

“Assembling Christian student leaders from all over NSW to learn, pray, sing and fellowship together is a fantastic encouragement. CRU has also helped me and others by equipping us with practical skills to lead CRU groups in our schools.”
Michael, William Clarke College

“It has been amazing to be reminded of the love God has for me and to be surrounded by so many other young Christians has been such an encouragement. I feel a lot more comfortable with leading my group at school.”
Sonja, Concord High School
