we all have a story to tell ...
I began the week in limbo with the big questions of life filling my head. But with each talk and group discussion on CRU Camp, each of those questions were answered with honesty and truth and I was filled with hope and reassurance. Thank you for being awesome and inspiring leaders, sharing stories of your faith and the struggles you’ve been through with God. I’ve never felt so sure about something like my faith before. You have contributed to the development of my faith and I’m ready to start my Christian journey now.

Thank you from my heart.
A story full of memorable moments that helped play a part in who we are today.

Perhaps the ministry of Crusaders played a part in your story….or that of your son, daughter, grandchild or friend?

For the last 81 years, lives have been changed for eternity through Crusaders.

Will you help us continue the story…
Why leave a gift to Crusaders in your Will?

Crusaders currently needs to raise $800,000 in donations each year in order to sustain day-to-day ministry operations. As an interdenominational Christian organisation we do not receive any ongoing government or denominational funding. As a result we must rely heavily on prayer and the generosity of individuals, like you, who believe in what we do.

Whilst general donations assist in supporting day-to-day operations, we rely on gifts from Wills to help us fund and implement larger strategic projects like new campsite accommodation, facilities and activities. It was a gift in a Will that enabled us to upgrade the Galston Gorge campsite which now ministers to double the number of campers!

Gifts from Wills are an excellent way to support Crusaders’ future without impacting your lifestyle right now. A gift in your Will could help double the number of children involved in Crusader camps or enable us to take camping and school-based ministry interstate. Imagine the impact you could have!

Any gift in your Will, whether large or small, is an investment in Kingdom work which will help us reach even more young people with the Good News of Jesus and train many for a lifetime of Christian leadership.
