CURRICULUM INDICATORS & CAMP PROGRAM

We will work with you prior to camp to identify your educational objectives and transform them into an integrated camp program. All administrative documentation is provided in order to minimise your organisational load.

CAMP COST & LOCATION

Costs for Secondary Camps start from $75 per student per day, depending on location and activities.

Whilst the Summit team primarily operates secondary camps at Crusaders’ campsites (Galston Gorge & Lake Macquarie), we frequently run camps at a variety of locations across NSW & the ACT to suit your aims and budget.

“This has been, without a doubt, the best school camping program I have been involved in. The professionalism of the staff, their desire to serve and the activities they ran were outstanding. I know my Year 9s are better for the experience. Thank you!”
