WOULD YOU LIKE TO HOLD A CAMP WHICH DOESN’T FIT ANY OF OUR STANDARD CATEGORIES?
LET US DESIGN A CAMP PROGRAM ESPECIALLY FOR YOUR SCHOOL CONTEXT AND EDUCATIONAL AIMS.

CURRICULUM INDICATORS & CAMP PROGRAM
We will contact you prior to camp to identify your educational objectives and transform them into an integrated camp program. All administrative documentation is provided in order to minimise your organisational load.

CAMP COST & LOCATION
Costs for Special Purpose Camps need to be individually quoted, depending on location and activities.

Whilst the Summit team primarily operates camps at Crusaders’ campsites (Galston Gorge & Lake Macquarie), we frequently run camps at a variety of locations across NSW & the ACT to suit your aims and budget.
SNAPSHOTS OF VARIOUS SPECIAL PURPOSE CAMPS:

**CANBERRA FIELD TRIP**
- Visit the old and new Parliament Houses, Election Education Centre, War Memorial, Australian Museum or other national landmarks
- Interactive learning fun at Questacon and the Australian Institute of Sport
- Summit looks after all the bookings and runs all day and evening activities

**SWAT CAMP**
- High adrenalin action action as students work together in teams to battle it out in various scenarios!
- Other activities are tailored with a ‘special ops’ theme which runs through the whole camp
- Students have so much fun that they don’t realise they are learning life lessons along the way in teamwork, strategy, community, communication and resilience
- All activities are de-briefed, enabling students to apply activity learnings to everyday life

**CHRISTIAN MINISTRY SKILLS**
Fun outdoor activities interspersed with interactive sessions on topics such as:
- How to prepare and present your testimony
- Apologetics – evidence supporting God, Jesus and the Bible
- Music in Christian worship

**DAY CAMP**
This is a great way to introduce younger students to camp before spending a night away from home, or for specific experiential learning interventions at school. Day Camp programs could take the form of:
- Experiencing ‘camp life’ by staying for a day (or 2 single days) at a site
- Hike and activities day excursion for K-2
- Onsite activities day for a year group needing help with positive communication
- Giving students the opportunity to interact with the natural environment and work in teams outside the classroom

**OTHER PROGRAMS**
- Curriculum Field Trips
- Dads and Kids Camps
- Under the Stars
- Social Justice
- Reptile Studies
- Macquarie Towns and Sydney Rocks camps
- Themed camps
- What do you have in mind? Our Curriculum Co-ordinator can visit you to develop your idea into a great program!

"The Year 6 camp to Canberra is busy and energetic, and brings alive, through role plays and hands on experiences, many concepts about the Federal level of Australian government. Balancing the academic aspect of the itinerary are daily Christian discovery sessions, sporting and leisure pursuits. Ably lead by Summit Education, the camp is certainly a highlight in the Year 6 school year. Students arrive home exhausted but enriched by the wonderful variety of experiences they have had.”
