ABOUT CRU CAMPS

80+ YEARS OF EXPERIENCE

- CRU Camps is a division of Crusaders – a non-profit, Christian youth organisation established in 1930.
- CRU Camps is the largest provider of Christian holiday camps in NSW welcoming over 3,300 campers onto over 60 camps each year.

EXCEPTIONAL LEADERS

- Our dedicated team of Christian young adults look after the campers 24 hours a day.
- Each leader is trained in child protection procedures, reference checked and screened in accordance with child protection legislation.
- Our leaders' love for God, young people and life make them superb role models.
- Our exemplary standard of care is evidenced by a ratio of at least 1 leader to every 5 campers.
- Each team has at least two leaders with Senior First Aid qualifications.

- A camp 'Mum' and 'Dad' attend primary age camps to care for the emotional needs of young campers.

ENCOURAGING ENVIRONMENT

- Our nurturing camp environment is one where your child will be accepted, cared for and encouraged.
- Through the activities, leaders help your child to develop teamwork, co-operation and communication skills whilst also challenging them to step out of their comfort zone to achieve new things.
- Meals, discussion times and the encouraging camp environment help campers to come away with strong confidence, character and social skills.
- Our camps are tobacco, alcohol and drug free environments.

GREAT VALUE

- At all times we work hard to offer great quality programs at the lowest possible price.
- This season our camp fees start at just \$77 a day, which includes all activities, meals, accommodation, 24 hour supervision and transport (unless specified).
- A camper Sponsorship Fund exists to help needy families send their children on camp. Visit the sponsorship page at www.crucamps.com.au to submit a request for fee assistance.

GOT QUESTIONS?

Find answers to all your questions at

www.crucamps.com.au

We've even answered a few for you here...

HOW MANY LEADERS ARE ON EACH CAMP?

CRU Camps' ratio of at least 1 leader to every 5 campers helps ensure campers are not only supervised and safe, but also feel cared for and have a wonderful camp experience.

ARE THERE CAMP WAITING LISTS?

If a camp is full, you may put your child's name down on the waiting list by completing a 'waiting list' registration on our website. Just head to the rego page as if you were going to register for the camp. You can put your child's name down without a deposit and we will contact you to let you know if a place becomes available.

WHAT'S THE CHRISTIAN CONTENT LIKE ON CAMP?

Each day of camp features an engaging Bible talk and small group discussion time. This may also involve games, activities, drama and music. Campers have the opportunity to raise questions and share their opinions in discussion groups.

WHAT IF MY CHILD DOESN'T KNOW ANYONE ELSE ON CAMP?

Most CRU Camps have at least a few campers who arrive not knowing anyone else. Our leaders are trained to watch, care for and help campers to feel part of the group. Camper surveys consistently show that over 95% of campers felt well cared for, made new friends and wanted to come on camp again.

CAN MY CHILD BE IN THE SAME ROOM AS HIS/HER FRIEND?

Absolutely! During the registration process you can nominate the name of your child's friend/s (of the same gender) as a preferred roommate. Camp directors use these preferences to guide cabin allocations. If multiple campers are listed, it may be difficult for directors to ensure every request. Even if your child's friend has not yet registered, you can nominate them as a roommate, however this does not guarantee their place on camp.

CAN CAMPS CATER FOR CHILDREN WITH SPECIAL DIETARY REQUIREMENTS?

Yes, please provide a comprehensive list of requirements when registering your child onto camp. We are able to cater for most children with special dietary requirements, such as vegetarian, gluten-free and lactose intolerant. In certain circumstances parents may be required to provide special food for their child to bring to camp. See our website for more details.
