

Plank-Eye

Part 2

STUDENT ONE storms in, walking straight up to STUDENT TWO.

STUDENT ONE: Teachers are so stupid! Guess what just happened?

STUDENT TWO: What?

STUDENT ONE: Mr Beefspewy just got me in trouble for speaking in class. But it wasn't me, it was the kid next to me. Mr Beefspewy is dumb, and blind, and stupid! Just like every teacher! Also, his breath smells.

STUDENT TWO: Yeah, it's so hard when you get in trouble for something you didn't do. I get really angry when I get in trouble sometimes too. And sometimes I say some horrible things. But then I remember that my Mum is a teacher and I get a bit sad when people say mean things about her so I should be really careful what I say about other teachers. They're people with feelings, just like us. I've been praying lately asking Jesus to help me remember everyone has feelings.
